I will be out of the office all next week and will be unable to attend. David Norwood and Brad Ehrman will attend from Road Design. I am copying this e-mail to Brent Story also to inform him of the meeting.  
Thanks!

FYI

Mark Grindstaff has discussed the Fort Attaway boundary with Richard Clouse (SHPO). Richard has made it apparent that he will concur with our original boundary (thus, avoiding 4(f)) - if we build this retaining wall.

Preliminary estimates say that this wall is approx. half-million dollars (building it would roughly raise project cost by 10%). Thus, we need to sit down and see if this is something that the Department would like to do or not do.

Mark needs to know if he should include wall or not so that he can submit his addendum to SHPO.

Hi Everybody,

I would like to schedule a mini-team meeting regarding recent developments in this project. A retaining wall has been designed and we need to discuss how to proceed at this point. I would like to schedule this meeting around the first of next week, tentatively Tuesday, October 8 at 1:30 p.m. Please let me know if this time works for you.

Thanks,
