David,

Didn't know if you had seen this or not, so decided to send. Unfortunately, I accidentally deleted the email I sent Elijah about your efforts, which he posted on several heritage webpages.

I really enjoyed spending the afternoon talking with you and Cailey.

My friend I told you about is just itching to meet you guys and see the fort. We plan to try to get up there next week sometime, I will call first and let you know, in the meantime, I plan to make as many people as I personally can aware of your fight and the great job you are doing for all of US.

Still waiting for those pictures.

God Save Dixie,
Alan Dyer
