8 July, 2002

Dear David:

I came home from several days in Michigan, arriving last night. When I picked up accumulated mail this morning, I found your good letter of July 2 and the first edition of the Fort Attaway Battle Report.

I think it is very impressive. You have certainly "done your homework," and the newsletter is impressive. You are, indeed, a tireless worker, and have made many useful contacts.

I wish you all success!.

Sincerely,
